Tournament Etiquette:

1. Give way to public – allow them ample opportunity to launch and load.
2. Respect personal property – ask permission before casting to docks or boats.
3. Take a minute to tidy launch site - leave it in better condition than when you arrived.
4. Leave 1-2 prime parking spaces for the public.
5. Respect boating law – minimum separation of 150 feet from land or objects above headway speed.
6. Remove dead fish from launch area.
